SENATE BILL

No. 193

Introduced by Senators Murray and Burton

February 12, 2003

An act to add Chapter 15.3 (commencing with Section 67370) to Part 40 of the Education Code, ~~and to add Section 3364.4 to the Labor Code,~~ relating to postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

SB 193, as amended, Murray. Postsecondary education: Student Athletes' Bill of Rights.

Existing law, known as the Donahoe Higher Education Act, sets forth, among other things, the missions and functions of California's public and independent segments of higher education. Provisions of the act apply to the University of California only to the extent that the Regents of the University of California, by resolution, act to make them applicable. Existing provisions of the act prohibit a person from offering, promising, or attempting to give any money or other thing of value to a student athlete to induce, encourage, or reward the student athlete's application, enrollment, or attendance, at a public or private institution of higher education.

This bill would enact the Student Athletes' Bill of Rights, which would, among other things, prohibit a institution of higher education from agreeing to, or being subject to, the rules or policies of any organization, or making a contract with any party, that dictates the terms, value, and conditions of student athlete scholarships.

~~The bill would require each institution of higher education to annually make a report to the California Postsecondary Education Commission that contains the average and median college entrance examination scores for student athletes admitted to that institution of higher education that year, average and median grade point averages for student athletes, graduation rates for student athletes, and the major course of study of each student athlete.~~

~~The bill would provide that nothing in its provisions be construed to create an employer/employee relationship between an institution of higher education and a student athlete. The bill would prohibit an institution of higher education from imposing, or submitting to the imposition of, a penalty or other sanction, as defined, on a student athlete for a violation of a rule or code of conduct of an intercollegiate athletics association that was not committed by that student athlete.~~

~~The bill would entitle student athletes to workers' compensation benefits.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Chapter 15.3 (commencing with Section
2 67370) is added to Part 40 of the Education Code, to read:
